

**Tuition fees for Bachelor's, Specialist's, and Master's degree  
programmes for the 2024/2025 academic year**

| The code of the field of study (specialty) | Field of study/ specialty  | Intramural (full-time) education | Intra-extramural (part-time) education | Extramural education      |
|--|--|----------------------------------|--|---------------------------|
|  |  | Tuition fee per year, RUB        | Tuition fee per year, RUB              | Tuition fee per year, RUB |
| BACHELOR’S DEGREE PROGRAMMES               |  |                                  |  |                           |
| 02.03.02                                   | Database technologies and IT<br>(Field: Programming and information technologies)  | 109 000                          | 47 000                                 |                           |
| 04.03.01                                   | Chemistry<br>(Field: Chemical-forensic examination and chemical analysis in criminology)                                   | 82 600                           |  |                           |
| 05.03.06                                   | Ecology and resource management<br>(Field: Ecology and resource management)  | 87 500                           |  | 31 000                    |
| 06.03.01                                   | Biology<br>(Field: Biomedicine with the basics of physical rehabilitation)   | 108 500                          | 38 000                                 |                           |
| 10.03.01                                   | Information Security (Field: Computer system security)   | 106 500                          |  |                           |
| 13.03.02                                   | Electric power and electrical engineering<br>(Field: Electric power industry, electrical engineering and electromechanics) | 96 500                           |  | 49 000                    |
| 15.03.02                                   | Technological machines and equipment<br>(Field: Electric power industry<br>Computer engineering of food production)        | 81 600                           |  | 16 900                    |
| 15.03.03                                   | Applied mechanics<br>(Field: Electric power industry: Computer Engineering and Design)                                     | 99 800                           |  | 28 000                    |
| 15.03.03                                   | Applied mechanics<br>(Field: Electric power industry: Mechanical engineering design support)                               | 82 000                           |  |                           |
| 15.03.03                                   | Applied mechanics<br>(Field: Electric power industry: Digital product twins)   | 103 230                          |  | 32 000                    |

|          |   |         |  |  |
|----------|---|---------|--|--|
| 15.03.06 | Mechatronics and Robotics<br>(Field: Mechatronic and robotic technological systems and complexes) | 102 000 |  |  |
|----------|---|---------|--|--|

|          |  |         |        |        |
|----------|--|---------|--------|--------|
| 19.03.01 | Biotechnologies<br>(Field: Biochemistry and Biotechnology)   | 82 000  |        |        |
| 19.03.02 | Food products of plant raw materials<br>(Field: Technology of general and special purpose food products)   | 93 000  |        | 35 000 |
| 19.03.04 | Technology of food production and organization of public catering<br>(Field: Product and management technologies in the hotel and restaurant business) | 96 000  |        | 35 000 |
| 20.03.01 | Technosphere safety (Field: Occupational safety)   | 119 000 |        | 35 000 |
| 23.03.03 | Operation of transport and technological machines and complexes<br>(Field: Operation of transport and technological machines and complexes)            | 118 800 |        |        |
| 34.03.01 | Nursing studies<br>(Field: Medical, organizational and pedagogical methodology in healthcare)  | 108 500 | 38 000 |        |
| 35.03.01 | Forestry business<br>(Field: Forestry)   | 82 000  |        | 14 300 |
| 35.03.03 | Agricultural chemistry and agrology<br>(Field: Agricultural chemistry and agrology)  | 119 000 |        |        |
| 35.03.04 | Agronomy<br>(Field: Agronomy)  | 119 000 |        | 30 000 |
| 35.03.05 | Gardening<br>(Field: Fruit growing, vegetable growing, viticulture)  | 119 000 |        |        |
| 35.03.06 | Agroengineering<br>(Field: Technical systems in agribusiness)  | 119 000 |        | 14 300 |
| 35.03.08 | Water resources and aquaculture (Field: Water resources and Aquaculture)   | 82 000  |        |        |
| 35.03.10 | Landscape architecture<br>(Field: Landscape design)  | 82 000  |        | 14 300 |
| 37.03.01 | Psychology (Field: Psychology)   | 111 000 | 50 000 |        |
| 38.03.01 | Economics<br>(Field: Accounting, Analysis and Audit)   | 112 000 | 51 000 |        |

|          |   |         |        |  |
|----------|---|---------|--------|--|
| 38.03.01 | Economics<br>(Field: Finance and Credit)                            | 112 000 | 51 000 |  |
| 38.03.01 | Economics (Field:<br>Digital economy)                               | 129 000 | 57 000 |  |
| 38.03.01 | Economics<br>(Field: Economics of the agro-industrial<br>complex)   | 112 000 | 51 000 |  |
| 38.03.01 | Economics<br>(Field: Economics of enterprises and<br>organizations) | 112 000 | 51 000 |  |
| 38.03.02 | Management (  | 112 000 | 51 000 |  |

|          |   |         |        |        |
